1. Definitions
In these Conditions of Sale:
"Buyer" means the party to whom the Seller supplies or has agreed to supply Goods.
"Seller" means Hepworth Building Products Limited.
"Conditions" means these Conditions of Sale and any additional terms agreed in writing between the Buyer and the Seller.
"Goods" means every, or where the context so requires, any item of whatsoever nature which the Buyer buys or has agreed to buy from the Seller including where the context so requires services provided by the Seller.
"Contract" means the contract for the supply of Goods incorporating these Conditions.
"Consumer" means a consumer as defined by the Unfair Contract Terms Act 1977 or the Unfair Terms in Consumer Contracts Regulations 1994.

2. The Contract
2.1. The Goods are sold by the Seller only subject to these Conditions which may not be altered without the written agreement of a duly authorised person on behalf of the Seller. Any contrary or additional terms or conditions are excluded unless so agreed.
2.2. A quotation does not constitute an offer to supply Goods.
2.3. Cancellation of the Contract by the Buyer will only be accepted at the discretion of the Seller and in any case on condition that the Buyer indemnifies the Seller against all loss, damages, costs and expenses incurred as a result of such cancellation to be paid by the Buyer to the Seller forthwith.
2.4. Health and safety information relating to the Goods is available on request. The Buyer warrants that it will pass on to all third parties to whom it may supply the Goods all information as to the use and safe handling of the Goods as may have been passed on to the Buyer by the Seller.

3. Representations
3.1. The Seller shall not be liable in respect of any misrepresentation made by the Seller its employees or agents to the Buyer its employees or agents as to the condition of the Goods their fitness for any purpose or as to the quantity or measurements unless the representation is fraudulent and/or is made or confirmed in writing by a duly authorised person on behalf of the Seller.
3.2. Without prejudice to Clause 3.1 of these Conditions while the Seller takes every precaution in the preparation of its catalogues technical circulars price lists and other literature these documents are for the Buyer's general guidance only and statements made therein (in the absence of fraud on the part of the Seller) shall not constitute representations by the Seller and the Seller shall not be bound by them. If the Buyer requires advice in relation to the Goods a specific request for advice should be made and any advice made or confirmed in writing in response to such a request shall amount to a representation and the Seller shall be liable accordingly.
3.3. For the avoidance of doubt except where the Goods are supplied to a Buyer dealing as a Consumer the liability for damages for misrepresentation (other than fraudulent) is excluded or limited by Clause 9 of these Conditions. The statutory rights of a Consumer are not affected by these Conditions.

4. Price
4.1. Goods will be invoiced at the price ruling at date of despatch of each installment of the Goods. The price is exclusive of VAT and carriage and packaging.
4.2. Prices quoted are applicable to the quantity specification delivery dates and information provided by the Buyer. If the order placed varies or delay is caused by the Buyer's instructions or lack of instructions the Seller shall be entitled to adjust the price.

5. Payment
5.1. Payment shall not be deemed made until the Seller is in receipt of cleared funds.
5.2. The Buyer shall pay to the Seller the full price of the Goods by the end of the first calendar month after the month of despatch and time of payment is of the essence.
5.3. If, in the sole discretion of the Seller, the financial condition of the Buyer at any time does not justify continuation of delivery of the Goods on the terms of payment originally agreed, the Seller may suspend delivery and require full or partial payment in advance without incurring any liability whatsoever to the Buyer.
5.4. The Buyer shall not be entitled to withhold payment of any amount payable under the Contract or other amount due to the Seller by reason of any right of set off or counterclaim which the Buyer may have or allege to have for any reason whatsoever.

6. Delivery
6.1. Any time or date stated for delivery is given and intended as an estimate only and shall not be of the essence.
6.2. Delivery shall be deemed to take place either on the completion of unloading where the Seller delivers the Goods or on the completion of loading where the Buyer collects the Goods.
6.3. Signature of any delivery note by any agent, employee, nominee or representative of the Buyer or by any independent carrier shall be conclusive proof of delivery.
6.4. The Seller shall not be liable for any damages howsoever arising whether direct or indirect resulting from any delay in delivery of the Goods or failure to deliver the Goods in a reasonable time for causes beyond the reasonable control of the Seller.
6.5. If the Seller fails to deliver the Goods its entire liability shall be limited to the excess (if any) over the price of the Goods, of the cost to the Buyer (purchasing in the cheapest market reasonably available to the Buyer) of purchasing similar goods to replace those not delivered.
6.6. The Seller reserves the right to make delivery by installments and tender a separate invoice in respect of each installment. Any claim which the Buyer may have in respect of one installment shall not affect the Buyer's liability in respect of any other installment.
6.7. If Goods are to be deposited other than on the Buyer's premises the Buyer shall be responsible for compliance with all regulations and for all steps which need to be taken for the protection at all times of persons or property and will indemnify the Seller in respect of all losses damages costs and expenses the Seller may incur as a result of such delivery whether on the public highway or elsewhere.
6.8. Delivery to a site of works shall be made at a point on a good hard ground nearest to the site and the Seller refuses to deliver the Goods to sites considered in the discretion of the driver to be unsuitable.
6.9. If the Buyer fails to take or make arrangements to accept delivery of the Goods or if delivery is delayed by the Buyer or the Seller is unable to deliver because of inadequate access or instructions or failure of the Buyer to obtain necessary consents or licences delivery shall be deemed and the Seller may do any one or more of the following (without prejudice to any other right or remedy the Seller may have):

6.9.1. Make additional charges for failed delivery;
6.9.2. Allocate new delivery dates;
6.9.3. Store the Goods at the Buyer's risk and cost;
6.9.4. Invoice the Buyer for the Goods;
6.9.5. Terminate this Contract without liability on the Seller's part; and/or
6.9.6. Recover from the Buyer all costs and losses incurred by the Seller.
6.10. The Buyer will indemnify the Seller in respect of all claims, losses, damages, costs and expenses incurred as a result of loading, unloading or delivery in accordance with the Buyer's instructions. This indemnity will be reduced in proportion to the extent that such claims, losses, damages, costs and expenses are due to the Seller's negligence.

7. Inspection
7.1. The Buyer shall inspect the Goods at the place and time of delivery but nothing in these Conditions shall require the Buyer to break packaging and/or unpack Goods which are intended to be stored before use ("Reasonable Inspection").
7.2. If the Seller delivers Goods to the Buyer no claim for shortages or loss or damage to goods in transit or failure of goods to conform to the Contract apparent on Reasonable Inspection ("Apparent Defects") will be considered unless the Buyer notifies the Seller by telephone forthwith and in writing within 5 working days of delivery. If the Buyer has not given notice as specified in this Clause the Goods will be deemed to have been delivered in the quantities shown in the delivery documents and will be deemed to have been accepted and the Buyer shall not be entitled to and waives any right to reject the Goods.
7.3. The Seller's liability for loss or damage for Apparent Defects is limited to supplying the Goods as ordered and the Seller shall not be liable for any damages howsoever caused. The Buyer remains liable to pay the full invoice price of other Goods delivered in accordance with the Contract. Any other claim for damages is subject to Clause 9.
7.4. Standard lengths of pipes sold by the Seller are subject to alteration without notice. In the event of any such alteration the Seller shall be entitled to supply pipes in different lengths from those agreed to be sold, and undertakes to meet the Buyer's total linear metre length requirement with pipes of the nearest lengths available to those contracted for.

8. Risk and Property in the Goods
8.1. Risk in the Goods shall pass to the Buyer when the Goods are delivered. The title to the Goods shall remain with the Seller until the Buyer pays the price of the Goods and any other sums outstanding between the Buyer and the Seller whether in respect of this Contract or otherwise.
8.2. Until title passes:-
8.2.1. The Buyer shall hold the Goods as the Seller's fiduciary agent and bailee;
8.2.2. The Goods shall be stored separately from any other goods and the Buyer shall not interfere with any identification marks, labels, batch numbers or serial numbers on the Goods;
8.2.3. At the Seller's request the Buyer will notify its customers that the Seller remains the legal owner of the Goods until the Seller receives payment in accordance with Clause 5 and the Seller reserves the right to label the Goods accordingly;
8.2.4. The Seller agrees that the Buyer may use or agree to sell the Goods as principal and not as the Seller's Agent in the ordinary course of the Buyer's business subject to the entire proceeds of any sale or insurance proceeds received in respect of the Goods being held in trust for the Seller and not mixed with any other monies or paid into an overdrawn bank account and shall at all times be identifiable as the Seller's money;
8.2.5. The Buyer will at the Seller's request and at the Buyer's expense assign to the Seller all rights the Buyer may have against its customers.
8.3. The Buyer's right to use or sell the Goods may be withdrawn by the Seller on notice at any time and will automatically cease on the Buyer becoming Insolvent (as defined in Clause 11) and the Seller shall be entitled at any time to recover any or all of the Goods to which the Seller has title and for that purpose the Seller and its employees or agents may with such transport as is necessary enter upon any premises occupied by the Buyer or to which the Buyer has access and where the Goods may be or are believed to be situated.

9. Seller's Liability
9.1. Nothing in these Conditions shall exclude or restrict the Seller's liability for death or personal injury resulting from the Seller's negligence or the Seller's liability for fraudulent misrepresentation.
9.2. If the Buyer deals as a Consumer any provision of these Conditions which is of no effect shall not apply. The statutory rights of a Consumer are not affected by these Conditions.
9.3. The Seller warrants that, subject to the other provisions of these Conditions, upon delivery:
9.3.1. the Goods will correspond with their specification set out in the Seller's price list at the time of delivery;
9.3.2. the Goods will be free from substantial defects in material and workmanship;
9.3.3. the Goods will be reasonably fit for any particular purpose for which the Goods are being bought if the Buyer had made known that purpose to the Seller in writing and a duly authorised person on behalf of the Seller has confirmed in writing that it is reasonable for the Buyer to rely on the skill and judgment of the Seller.
9.4. The Seller shall not be liable for a breach of any of the warranties in Clause 9.3 ("a Defect"):
9.4.1. if the Defect would have been apparent on Reasonable Inspection under Clause 7.1 unless the Buyer gives the Seller notice in accordance with Clause 7;
9.4.2. unless the Defect is discovered within 90 days of the date of delivery and the Seller is given written notice of the Defect within 5 working days of it being discovered;
9.4.3. if the Buyer fails to adhere to the terms of payment set out in the Conditions;
9.4.4. unless after discovery of the Defect the Seller is given a reasonable opportunity to inspect the Goods before they are used fixed or in any way interfered with. It is acknowledged that the costs of suspending works are relevant to the determination of what is a reasonable opportunity and this Clause shall not apply to any works affecting the Goods which it may be reasonably necessary to carry out in the interests of safety and/or as emergency measures;
